PROFESSIONAL SUMMARY

Frontend Developer and Technical Instructor with **2+ years of hands-on experience** building responsive web interfaces and teaching frontend technologies. Proven ability to deliver **clear, structured frontend lessons**, guide students through real-world projects, and provide actionable feedback that accelerates learning. Strong communicator with experience onboarding learners, tracking progress, and collaborating on curriculum development. Passionate about combining **engineering excellence with effective teaching** in remote-first environments.

CORE SKILLS (ROLE-ALIGNED)

- **Frontend Development:** HTML5, CSS3, JavaScript (ES6+), React.js, Next.js
- **Teaching & Tutoring:** Live classes, student onboarding, progress tracking, structured feedback
- **Styling & UI:** Tailwind CSS, Bootstrap, Responsive Design, Accessibility Basics
- **Tools & Platforms:** Git, GitHub, Vercel, Netlify, VS Code, Chrome DevTools, Figma
- **Soft Skills:** Clear communication, patience, teamwork, problem-solving, attention to detail

PROFESSIONAL EXPERIENCE

Coding Instructor (Frontend & Beginner Programming)

Juritech — Lagos, Nigeria (Hybrid)
May 2025 – Present

- Conduct **structured frontend classes** covering HTML, CSS, and JavaScript for beginners and early-stage learners.
- Assist students with hands-on projects, debugging issues, and applying best practices.
- Provide **clear, written, and verbal feedback** to help students improve code quality and confidence.
- Track student progress, learning outcomes, and attendance to ensure consistent improvement.

- Offer technical support and mentorship to learners during and outside class sessions.

Founder & Lead Tutor

ANDOR TECH HACKDEMY — Lagos, Nigeria (Remote & Physical)
September 2024 – Present

- Founded and managed a tech training academy focused on **frontend development and computer science basics**.
- Delivered live and recorded lessons to **400+ students** in HTML, CSS, JavaScript, React, and Git/GitHub.
- Onboarded new students, managed learner records, and monitored progress throughout training cycles.
- Collaborated with facilitators to design and improve **beginner-friendly curricula and project workflows**.
- Conducted code reviews and project assessments to ensure learning objectives were met.

Frontend Developer (Freelance / Contract)

Future You Limited — Lagos, Nigeria (Remote)
2025

- Built and deployed a **responsive corporate website** using React and Tailwind CSS.
- Translated non-technical requirements into clean, user-friendly interfaces.
- Optimized layouts for performance, accessibility, and cross-device compatibility.
- Used Git/GitHub for version control and smooth collaboration.

EDUCATION & TRAINING

Yaba College of Technology — Lagos, Nigeria

OND, Computer Science
- Relevant Coursework: Programming Fundamentals, Web Development, Data Structures, Algorithms

Scrimba (TechUp Africa Scholarship)

Certificate – Frontend Development
- Built practical projects using HTML, CSS, JavaScript, and React.

TechBridge Program — Lagos, Nigeria

Diploma – Frontend Development
- Hands-on training in modern frontend workflows and Git-based collaboration.

ODI-OLOWO / OJUWOYE ICT Institute — Lagos, Nigeria

Diploma – Full-Stack Development
- Worked with JavaScript, jQuery, MySQL, and Python for web-based systems.

SELECTED PROJECTS (TEACHING & REAL-WORLD)

Camp Registration Web Application — Glorious Christian Fellowship Tabernacle

Technologies: Next.js, Tailwind CSS, Git/GitHub
- Built a web application to replace manual registration processes.
- Enabled online hall and room allocation, reducing physical queues.
- Automated ticket generation and attendee data collection.

Future You Limited Website

Technologies: React.js, Tailwind CSS
- Designed a clean, responsive corporate website with intuitive navigation.
- Improved usability across mobile and desktop devices.

WHY I FIT THIS ROLE

- 2+ years combining **frontend development and tutoring experience**
- Strong ability to explain complex concepts in **simple, beginner-friendly terms**
- Proven experience onboarding students, tracking progress, and offering technical support
- Comfortable working **remotely** with learners and team members
